

MUNICIPAL STREET LIGHTING RATE

CHARACTER OF SERVICE

Energy service only to municipalities owning, operating, and maintaining a street lighting system and limited to locations where secondary service is available. Traffic control lighting service may be rendered under this rate providing the customer furnishes the equipment. Customers taking service under this rate schedule are responsible for paying both Distribution Service and Stranded Cost.

RATES

Mercury vapor lighting service is limited to existing installations, and will not be available for new installations after June 1, 2011 (the effective date of the forty-third revision of this tariff previously in effect for Bangor Hydro Electric Company).
