Re: *Versant Power*
Docket No. ER20-1977-000
Annual Transmission Charges Informational Filing

Dear Secretary Bose:

In accordance with the Protocols for Implementing and Reviewing Charges Established by the Attachment J Rate Formulas (“Protocols”) of the Versant Power Open Access Transmission Tariff for Maine Public District (“MPD OATT”), Versant Power hereby submits an informational filing setting forth charges for transmission service under the MPD OATT for the upcoming June 1, 2022, to May 31, 2023, rate year (the “2022-2023 MPD Charges”).

1. Description of Filing

Attachment J of the MPD OATT provides that Versant Power’s transmission charges are to be calculated annually using a formula rate. More specifically, Attachment J provides that annual updates to the transmission charges are to be filed with the Commission no later than May 1 of each year (or the next business day if May 1 does not fall on a business day), and that these updated charges are to take effect the immediately subsequent June 1 (*i.e.*, approximately 31 days later).

In compliance with this obligation, attached is an updated and populated version of the MPD OATT Attachment J formula rate (in both .pdf and Excel formats) detailing the 2022-2023 MPD Charges that are to take effect June 1, 2022, as well as the calculations supporting those charges.¹

¹ See attached files named <2021-2022 Actual Charges> and <2022-2023 Estimated Charges>.

Kimberly D. Bose, Secretary

Versant Power notes that the updated and populated version of the MPD OATT Attachment J formula rate reflects the revised workpapers that Versant Power proposed be added to the MPD OATT in compliance with Order No. 864, as submitted April 29, 2022, notwithstanding that this filing remains pending before the Commission.²

2. Service of Filing

In accordance with Section IV.A of the Protocols for Implementing and Reviewing Charges Established by the Attachment J Rate Formulas of the MPD OATT, a copy of this filing is being served on existing customers under the MPD OATT, the Maine Public Utilities Commission, the Office of the Public Advocate of the State of Maine, and the Northern Maine Independent System Administrator.

3. Conclusion

Thank you for your attention to this matter. Please direct any questions to the undersigned.

Respectfully submitted,

/s/ Jeffrey M. Jakubiak
